ENVIRONMENT AND WASTE MANAGEMENT COMMITTEE

HIS WORSHIP, THE MAYOR  
AND COUNCILLORS

**RE: BURNABY LAKE REGIONAL PARK TREE DECLINE**

**RECOMMENDATION:**

1. **THAT** Council forward a letter to the GVRD requesting a status report on the tree decline issue at Burnaby Lake Regional Park.

REPORT

The Environment and Waste Management Committee, at its open meeting held on 2001 June 12, discussed the Burnaby Lake Regional Park tree decline issue.

The Committee noted that, at its meeting held on 2001 January 9, a report was received from the Parks, Recreation and Culture Commission on this issue. Attached to that report was a document from the GVRD entitled "Drainage Problem Investigation Report". The GVRD report contained a series of conclusions and recommendations.

Arising from discussion at the 2001 June 12 meeting, the Environment and Waste Management Committee requested that a letter be forwarded to the GVRD requesting information on the current status of the issue and the recommendations from the GVRD "Drainage Problem Investigation Report".

Respectfully submitted,
