SUBJECT: 2001 BURNABY GOLF FEES BYLAW

RECOMMENDATIONS:

1. THAT the 2001 Golf Fees be approved as outlined in this report.
2. THAT Council request the City Solicitor to prepare the 2001 Burnaby Golf Fees Bylaw as detailed on Attachment #1 of this report.

REPORT

BACKGROUND

A Golf Fees Bylaw is required under the conditions of the Municipal Act to cover all fees and charges related to the public use of golf facilities. The 2001 Burnaby Golf Fees Bylaw will apply for the period 2001 March 01 to 2002 February 28.

The 2001 fees for golf services (i.e. green fees, driving range token sales) were not presented with the Recreation Facility Fees. This time line allows for evaluation with the local golf industry and setting of new fee schedules for implementation at the beginning of the golf season. This provides opportunity for the City to ensure that its pricing remains appropriately competitive.

The determination of the 2001 fees reflects the following factors:

1. Current fees / Comparison Attachment #2.
2. Public response to services and associated fees.
3. Current and projected market demands and price ranges. These are based on comparable public and private golf services in the Lower Mainland.
4. Budget restrictions and revenue targets.
5. General market trends in recreation and leisure services areas promotional consideration.
6. Fees in most cases are adjusted to odd amounts to allow for rounding to the nearest \$0.05 when GST is added. In several cases when the point of sale unit calculates the GST, it is impossible to round to an even number.

2001 GOLF SERVICES - FEE RECOMMENDATIONS:

• **Burnaby Mountain Golf Course**

Adult green fees - inflationary increase.

Sr/Jr green fees - inflationary increase coupled with an adjustment in discount rate. This adjustment attempts to parallel standardized Fees and Charges Guidelines and will be phased in over a period of time. Adjustment in the discount rate will provide more consistency with general market trends.

Adult 50 Round Pass (Monday-Thursday)* - inflationary increase. Maintain package pricing of 20% discount from regular adult rate.

Senior Annual Pass (Monday-Thursday), maximum 3 times/week - inflationary increase.
Adjustment in discount rate as previously discussed

- **Riverway Golf Course**

Adult green fee - inflationary increase

Sr/Jr green fees - inflationary increase coupled with an adjustment in discount rate. This adjustment attempts to parallel standardized Fees and Charges Guidelines and will be phased in over a period of time. Adjustment in the discount rate will provide more consistency with general market trends.

- **Kensington Park/Central Park Pitch & Putts**

Adult green fee - inflationary increase

Sr/Jr green fee - inflationary increase coupled with an adjustment in discount rate. This adjustment attempts to parallel standardized Fees and Charges Guidelines and will be phased in over a period of time. Adjustment in the discount rate will provide more consistency with general market trends.

- **Driving Range Token Sales**

Increase in individual token rates and a decrease in amount of discount offered on volume purchases to fall more in line with industry practices.

- **Golf Operations definition of Weekdays / Weekends**

Weekdays Monday to Thursday. Weekends Friday to Sunday plus stat. holidays.

* Sr./Jr rates offered weekdays only, Monday to Thursday. Fridays early bird tee times, sun up plus three hours, and twilight tee times.

SUMMARY

The proposed 2001 fees for Burnaby golf services have been reviewed by the golf advisory committee and endorsed to be fair, competitive and comparable to local golf facilities. This value pricing for our golf facilities and services should ensure that the City maintains its market share in the golf industry.
