AND COUNCILLORS*

RE: ICBC SAFER BICYCLE PLANNING CONFERENCE

RECOMMENDATION:

1. **THAT** Council approve the payment of the registration fee for a member of the Bicycle Advisory Committee who attended the ICBC Safer Bicycle Planning Conference.

R E P O R T

The Bicycle Advisory Committee at its Open meeting held on 2001 October 11, received information on the I.C.B.C Safer Bicycle Planning Conference which was to be held on 2001 October 12th and 13th at Simon Fraser University's Harbour Centre facility. The program for the Conference was designed to allow practitioners and cycling advocates from across the Province to share their experiences, challenges and questions. It also provided an opportunity for members of the bicycle planning community to share their knowledge in order to provide safer bicycle infrastructure planning throughout the Province.

In recognizing that the Conference was scheduled for the next day, the Bicycle Advisory Committee took the liberty of authorizing one Committee member to participate. Registration for the two-day Conference was \$50.00.

The Committee is therefore seeking Council approval of the \$50.00 registration fee, funds for which are available in the Boards, Committees and Commission conference account.

Respectfully submitted,

Councillor N. Harris
Chair
