SUBJECT: WORK ORDER:
60-21-136 Water Distribution System Study

PURPOSE: To obtain approval of Work Order 60-21-136

RECOMMENDATION:

1. THAT the above work order as more specifically referred to in this report, be approved.

REPORT

60-21-136 Water Distribution System Study

Charge: 2001 Provisional Capital Budget
Water Utility \$40,000

Consulting engineering services are required to undertake a study of the City's water distribution system as part of an ongoing water quality improvement program. The proposed study would develop a program of capital improvements and operational enhancement strategies to improve water quality throughout the system. Sufficient General Revenue funds are available and these expenditures are included under the Water Utility component of the 2001 - 2005 Provisional Capital Program.
