

TO: CITY MANAGER **DATE:** 2001 08 21
FROM: DIRECTOR ENGINEERING **FILE:** 10-01-12
SUBJECT: WORK ORDER:
60-30-106 Westridge Combined Sewer Separation (2001 Program - Phase II)
PURPOSE: To obtain approval of Work Order 60-30-106

RECOMMENDATION:

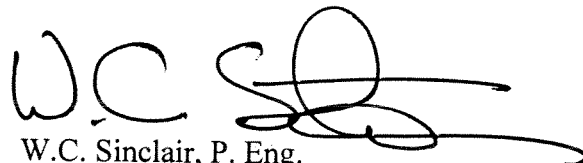

1. **THAT** the above work order, as more specifically referred to in this report, be approved.

R E P O R T

60-30-106 Westridge Combined Area Sewer Separation (2001 Program - Phase II)

Charge: 2001 Annual Capital Budget \$1,350,000
Sanitary Sewer Utility

Additional Information: Appearing elsewhere on this agenda is an item recommending the award of Contract 2001-16: Westridge Combined Area Sewer Separation (2001 Program - Phase II). This contract is a continuation of the City's overall program to replace existing combined sewers in the Westridge area with separate sanitary and storm sewers. It accords with the GVRD's Liquid Waste Management Plan to eliminate combined sewer overflows that can occur during heavy rain storms. Total cost of this phase, including ancillary work by city forces, is estimated at \$1,350,000. Sufficient General Revenue funds are available and these expenditures are included under 2001 in the Sanitary Sewer component of the 2001 - 2005 Capital Program.
