**REPORT**

The Parks, Recreation and Cultural Services Department's 1999 Annual Report provides an overview of activities and accomplishments leading up to the millennium. The theme of the report "Building the Future ... Today" is a reflection of the investment which Councils, Commissions and Staff, both past and present, have made over the years.

The City of Burnaby Parks, Recreation and Cultural Services Department is the benchmark in the Lower Mainland region for facilities and diverse program delivery. Our commitment is to build on that strength and continue to deliver customer oriented services.

A copy of the 1999 Annual Report will be provided under separate cover, and additional copies are available in the Parks, Recreation and Cultural Services Administration Office.
