Dear Mr. Cleave:

RE: SCHOOL SAFETY PATROL INCENTIVE GRANT

The Burnaby School District School Safety Patrol Program becomes stronger each year. Burnaby RCMP School Liaison Officers assist with training and monitoring. City of Burnaby By-Law Enforcement supports the program by providing enforcement and school support. The British Columbia Automobile Association provides support in training, equipment and assisting with an appreciation event for all student and adult volunteers.

Also, the City of Burnaby Traffic Safety Committee has, for many years, provided an incentive grant that has been distributed to schools on the basis of the number of students participating. This year there are 23 schools participating involving a total of 915 students. The grant is very much appreciated and we wish to request the continuation of your support in the amount of \$3500.00.

Yours truly,

D. Greg Frank
