RECOMMENDATION:

1. **THAT** Council approve bringing down a Capital Reserves Expenditure Bylaw for \$50,000 to finance the 2002 Program for Signage on Cycle Roads and Bikeways along Lougheed Highway, Gaglardi Way and Barnet Highway.

REPORT

Council, at its regular meeting of 2001 October 22, received a report from the Traffic and Transportation Committee (Transportation and Transit Division) and approved the recommendation that staff be authorized to implement a program in 2002 for signs and markings on cycle roads and bikeways along Lougheed Highway, Gaglardi Way and Barnet Highway. The total cost of stencil markings and associated route signs is estimated at \$50,000 (inclusive of 7% GST). It is recommended that a Capital Reserve Expenditure Bylaw be brought down in this amount. Sufficient Capital Reserves are available and these expenditures are included under the Bicycle Program component of the Provisional 2002 - 2006 Capital Program.
