**RECOMMENDATION:**

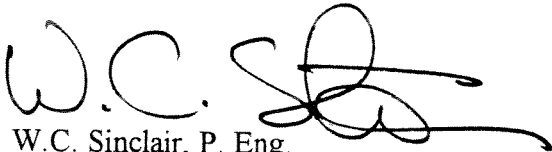

- 1. **THAT** the above work order as more specifically referred to in this report, be approved.

**R E P O R T**

60-70-397 North Fraser Way Design Study

Charge: 2002 Annual Capital Budget  
Land Assembly and Development \$30,000

**Additional Information:** This work order provides funding for an engineering study to confirm preliminary servicing requirements for the future upgrade of North Fraser Way (formerly Mandeville Avenue) between Byrne Road and Tillicum. The project relates to the implementation of the Big Bend Development plan in coordination with other industrial development that will involve the future servicing and consolidation of adjacent City industrial land. Sufficient funds are available and these expenditures are included in the Land Assembly and Development, Miscellaneous Servicing and Development component of the 2002 - 2006 Capital Program.
