**SUBJECT:** **BYRNE ROAD - MARINE WAY TO FRASER PARK DRIVE**  
**PURPOSE:** To seek Council approval to award a purchase order to relocate BC Hydro facilities which form part of the Byrne Road construction plans for this year.

---

**RECOMMENDATION:**

1. **THAT** Council authorize the issuing of a purchase order to BC Hydro in the amount of \$336,000 for the relocation of BC Hydro facilities which form part of road improvements on Byrne Road - Marine Way to Fraser Park Drive.

**R E P O R T**

Byrne Road, south of Marine Way, is designated as a major industrial collector street within the Burnaby Transportation Plan. The 2004 - 2008 Capital Budget includes provision for a phased construction program that will complete this portion of Byrne Road to full industrial standards.

Council at its meeting of 2004 May 17 approved funding of \$2.6M to finance the planned construction within 2004. The project budget included provision for the relocation of the BC Hydro facilities to their ultimate location. To allow BC Hydro to undertake these relocation works a purchase order in the amount of \$336,000 (inclusive of 7% GST) is required for the upcoming construction.

The Purchasing Manager concurs with the recommendation contained in this report.
