SUBJECT: EDMONDS STREET AT 6TH STREET CONSTRUCTION
PURPOSE: To obtain funding for the construction of the traffic signal and roadworks at the above intersection.

RECOMMENDATION:

1. **THAT** a Capital Expenditure Bylaw in the amount of \$374,500 (inclusive of GST) be brought forward for the construction of the traffic signal and related road works at the intersection of Edmonds Street and 6th Street.

REPORT

Council, at its meeting of 2004 February 16, received a report outlining the proposed improvements in the Lakeview / 6th Neighbourhood Traffic Plan. That report identified roadworks and signalization at the intersection of Edmonds and 6th Streets with the construction scheduled for 2005.

The estimated cost of construction for this project is \$374,500 (inclusive of 7% GST). Sufficient Capital Reserve Funds are available and this project is included in the Major Road component of the 2005 Annual Financial Plan. It is recommended that a Capital Reserve Expenditure Bylaw be brought down to finance the construction of a traffic signal and related roadworks at the intersection of Edmonds St and 6th St.
