REPORT

60-08-047/8 Pavement Overlay – 2005 Program

Charge: 2005 Provisional Capital Budget \$4.011 Million
Street and Lane Rehabilitation

Additional Information: The City has an annual pavement overlay program to restore deteriorated asphalt surfaces and extend the useful life of the pavement. This form of treatment is an integral part of the infrastructure renewal that protects the City's significant investment in the road network. The program includes rehabilitation of sections of the Major Roads Network that are funded by TransLink. Sufficient General Revenue funds are available and these expenditures are included in the Street and Lane Rehabilitation component of the 2005-2009 Provisional Capital Program.
