CERTIFICATE OF SUFFICIENCY

C

RECOMMENDATIONS:

1. THAT Council receive the City Clerk's Certificate of Sufficiency covering the 2007 Local Area Services Roadworks projects.
2. THAT on receipt of the successful petition, the City Solicitor prepare a Local Area Service Construction Bylaw for the successful project.

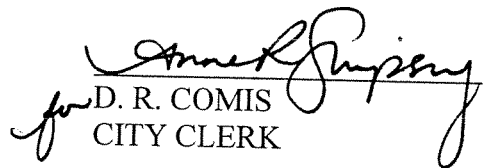

I, D.R. Comis, do hereby certify that a petition has been received supporting the following Local Area Service Roadworks project as detailed in the attached schedule:

20701

The foregoing petition is hereby certified as sufficient as this petition represents at least 50% of the property owners who in turn represent at least 50% of the assessed value of land and improvements that would be subject to the local area service tax.

In addition, please note that sufficient petitions have not been received for the balance of the works shown on the attached schedule. Council is, therefore, precluded from proceeding with any of these projects.
