REPORT

City Council, at its Closed meeting held on 2007 July 09, received a report from the Finance and Civic Development Committee proposing options for naming the City-owned child care centre to be developed in conjunction with Rez. #04-19 near Beta Avenue and Dawson Street.

In investigating possible names for the child care centre, staff reviewed environmental, geographical and historical sources. The City's three existing child care centres have all been named for a street or park in their immediate vicinity. Based on the location of the proposed new child care centre, the following three geographical options presented themselves:

- ◆ Beta (Avenue) Children's Centre (Beta Avenue is located to the west of the centre)
- ◆ Dawson Children's Centre (Dawson Street is located to the south of the centre)
- ◆ Yukon Crescent Children's Centre (Yukon Crescent is the recently named cul-de-sac beside the centre)

At the Finance and Civic Development Committee meeting held on 2007 June 28, the Committee recommended the name "Yukon Crescent Children's Centre". At the Closed Council meeting held on 2007 July 09 Council approved the name "Yukon Crescent Children's Centre" for the subject City-owned child care centre in recognition of the street on which the centre will be located.

This report is provided for public information.
