REPORT

Appearing under correspondence on this agenda is a letter from Ms. Grace Schenkeveld, President, of the South Slope Elementary and B.C. School for the Deaf Parent Advisory Committee President (P.A.C.).

The Parent Advisory Committee is requesting \$3,000 from the 2008 Provisional Capital Budget Playground Development funds to complete phase one of the re-development of the South Slope Elementary School and B.C. School for the Deaf playground.

Background

The Parks, Recreation & Culture Commission has been providing financial support for the development/re-development of Burnaby elementary schools' playgrounds since 1990. The Commission adopted the policy of providing assistance to a maximum of \$3,000 to qualifying schools. The Playground Development Grant criteria were originally developed to assist with the purchase of playground equipment.

In 1999 the playground grant criteria (Attachment #1) was expanded to include the purchase and planting of trees and/or shrubs for the playground area or garden projects. The Burnaby School Board covers the cost to install the equipment; the remaining costs are covered through fundraising by the parent/citizen group. There is \$9,000 budgeted annually in the Capital Budget. Out of the forty elementary schools in Burnaby, thirty five have received funding from the Playground Development grant.

Current

At its meeting of 2008 January 16, Commission approved three Playground grant requests expending the 2008 budget. At the same meeting, Commission approved an additional \$9,000 be available for the balance of 2008.

The South Slope Elementary School and B.C. School for the Deaf Parent Advisory Committee (P.A.C.) request meets the criteria of the Playground Development guidelines.

Total cost for phase one of the playground upgrade	\$20,000
Funds Raised by P.A.C. to date	\$10,000
Playground Grant Request	<u>\$ 3,000</u>
Total	\$13,000

The PAC will be holding a Walk Run and Roll fund raiser in 2008 April to raise additional funds for phase one of the playground re-development. The P.A.C. feels the fund raiser will cover the balance of funds needed to complete phase one of the playground re-development this year.

Sufficient funds are available in the 2008 Provisional Capital Playground Development budget. The Parent Advisory Committee has raised 50% of the total cost for phase one and received approval from the Burnaby School Board to install the upgrades this year.

It is recommended that approval be given to South Slope Elementary School and B.C. School for the Deaf Parent Advisory Committee to expend \$3,000 from the 2008 Provisional Capital Playground Development budget. If the request is approved there will be a balance of \$6,000 available in the Playground Development Budget for 2008.

CRITERIA FOR PLAYGROUND DEVELOPMENT FUNDING REQUESTS

1. Funding is available and approved in the Annual Capital Budget.
2. The project is initiated and cost shared by a Parent/Citizen Group. The Parent/Citizen Group must have 50% of the project cost raised at the time of the request. The Playground Development grant will provide matching funds up to a maximum of \$3,000.
3. Projects are considered on a first come, first served basis. Requests received will be time dated. The first opportunity to submit a request is on the first working day of the new year and then throughout the year.
4. The facility will be accessible to the public and thus provide a public benefit beyond serving the school children during school hours.
5. That Parks, Recreation & Cultural Services staff be allowed input into the design process.
6. That the remainder of the funding for the entire project needs to either be in place or very close to being finalized.
7. That any subsequent grant request received within five years of the first approved request is initially placed on a wait list until October 01 of the current year. At that time any requests on the wait list will be reviewed in the order they were submitted. Should funds remain available as of October 01, the applicant making the subsequent request may receive approval for the funding.
8. That any requests received after a period of five years be treated on a first come first served basis.
9. That the maximum contribution for each request is \$3,000.
10. That the Burnaby School Board has approved the project and the installation of the playground in that current year.
11. That the criteria be expanded to include but not limited to, the purchase and planting of trees and/or shrubs for the playground area or garden projects.
12. In the event the Playground Development Fund is completely allocated prior to year end; staff will advise Commission of the grant status and status of grant requests for their consideration.
