RECOMMENDATIONS

1. **THAT** approval be granted for up to 10 outdoor concerts at the Deer Lake Park festival lawn and up to five special events at Swangard Stadium between 2009 May 01 and September 30.
2. **THAT** Council be requested to concur.

REPORT

Annually, special events are planned for two key outdoor venues in Burnaby between May and September. The concerts at the Deer Lake Park festival lawn and the special events at Swangard Stadium where amplified sound is involved are regulated by number and frequency. Regular scheduled events such as minor gatherings and league games occur routinely.

The purpose of this report is to secure preliminary approval for up to ten outdoor concerts at Deer Lake Park festival lawn and up to five special events (other than league games) at Swangard Stadium between 2009 May 01 and September 30. This will include the City's annual Symphony in the Park, the Burnaby Blues and Roots Festival and up to eight ticketed concerts hosted by outside promoters and/or community groups at the festival lawn. At Swangard Stadium, this will include the annual two-day "24 Hour Relay" in June and up to four other special events.

This is congruent with past practise and with the provisions of the Burnaby Noise and Sound Abatement Bylaw 1979 Amendment No. 12066; Section 2. Staff will continue manage the sites professionally to ensure all events are well-managed and of high quality.
