BURNABY DETACHMENT**

On behalf of the members, staff and community volunteers of the Burnaby RCMP Detachment, I am very pleased to present you and the members of the Community Policing Committee with a copy of our 2008 Annual Policing Report.

Burnaby Detachment accomplished many successes and achievements in 2008, thanks to the efforts of many dedicated police officers on the frontline, civilian employees providing mission-critical support services, and many community volunteers at our side. These accomplishments would not have been possible without the incredible support and encouragement we received throughout the year from Mayor Derek Corrigan, members of City Council, members of the Community Policing Committee, members of our Community Policing Advisory Councils, and of course the citizens of Burnaby.

As we move forward into 2009, I am very confident that the Burnaby RCMP Detachment is positioned to fulfill our mandate of providing the highest quality of policing services to the citizens of Burnaby. We are committed to the principles and philosophies of Community Policing, engaging our community in open and frequent dialogue to ensure we have a full understanding of community issues and concerns. We will work in partnership with citizens to ensure our community remains a safe and secure place for all to live, work and play.

If you have any comments, suggestions or questions about anything in this report, please do not hesitate to contact me or my staff anytime here at Burnaby Detachment at (604) 294-7627.
