

Item.....	15
Meeting.....	2009 July 20

COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2009 July 14

FROM: DIRECTOR FINANCE **FILE:** 105-06/09

SUBJECT: **CONTRACT NO. 2009-18**
WILLARD STREET STORM SEWER TWINNING

PURPOSE: To obtain approval to award a contract for the Willard Street storm sewer twinning.

RECOMMENDATION:

1. **THAT** a contract be awarded to the lowest bidder, Sandpiper Contracting LLP, for the Willard Street storm sewer twinning, for a total cost of \$582,748.95 with final payment based on actual quantities and unit prices tendered.

REPORT

Seven tenders for this contract, ranging from \$582,748.95 to \$928,390.05, were received by the closing time of 3:00 p.m., Tuesday, 2009 July 07 and were opened in the presence of the firms bidding.

The work of this contract involves the Willard Street storm sewer twinning and related work.

The recommended bidder, Sandpiper Contracting LLP, has completed several contracts for the City in the past and all were completed to the satisfaction of the City. The Director Engineering is satisfied that they have the experience and resources to successfully complete the work of this contract. The Director Engineering and our consultant, ISL Engineering, concur with the above recommendation.

Funding for this project is available in an existing By-law previously approved by Council. These expenditures are included in the Storm Sewer component of the 2009 Annual Financial Plan.

Rick Earle
