RECOMMENDATION:

REPORT

Four tenders for this contract, ranging from \$1,722,320.85 to \$2,133,658.22 were received by the closing time of 3:00 p.m. Tuesday 2009 September 2 and were opened by staff in the presence of representatives of the firms bidding.

The work of this contract involves streetscape improvements comprising landscape, civil and electrical works in three locations in Burnaby.

The lowest bidder, Wilco Landscape Westcoast Inc., has completed projects for the Parks Department in the past and most recently were awarded the contract for the Deer Lake Park Festival Lawn and Shadbolt Terrace Upgrades by the Parks Department. Our consultant has had satisfactory work experiences with Wilco and his review indicates the contractor has the equipment and personnel capability to successfully complete the work required under this contract.

Funding for this project is available in an existing internal order previously approved by Council. These expenditures are included in the Community Planning Implementation component of the 2009 Annual Financial Plan.
