1. **THAT** a contract be awarded to the lowest bidder, Gemco Construction Ltd., for combined sewer separation, for a total cost of \$1,510,638.15 with final payment based on actual quantities and unit prices tendered.

**REPORT**

Eight tenders for this contract, ranging from \$1,510,638.15 to \$2,556,907.50, were received by the closing time of 3:00 p.m., Thursday, 2009 June 11 and were opened in the presence of the firms bidding.

The work of this contract involves combined sewer separation and other related work.

The recommended bidder, Gemco Construction Ltd., has completed several sewer separation contracts for the City in the past and all were completed to the satisfaction of the City. The Director Engineering is satisfied that they have the experience and resources to successfully complete the work of this contract. The Director Engineering and our consultant, Delcan Corporation, concur with the above recommendation.

Appearing elsewhere on the Council agenda is an internal order report seeking funding approval for this project. These expenditures are included in the Sewer Utility component of the 2009 Annual Financial Plan.
