COUNCIL REPORT

**TO:** CITY MANAGER **DATE:** 2010 March 10  
**FROM:** DIRECTOR FINANCE **FILE:** 26-02/10  
**SUBJECT: CONTRACT NO. 2010-08**  
**2010 COMBINED SEWER SEPARATION – PKG V**  
**GEORGIA STREET**

**PURPOSE:** To obtain approval to award a contract for sewer separation and related work.

**RECOMMENDATION:**

- 1. THAT** a contract be awarded to the lowest bidder, Ponte Bros. Contracting Ltd., for sewer rehabilitation for a tendered total cost of \$1,049,049.75, with final payment based on actual quantities and unit prices tendered.

**REPORT**

Eight tenders for this contract, ranging from \$1,049,049.75 to \$1,713,820.61 were received by the closing time of 3:00 p.m. Thursday 2010 March 04 and were opened by staff in the presence of representatives of the firms bidding.

The work of this contract involves construction of PVC storm sewers and a DI watermain; installation of manholes and water service connections and related work.

The recommended bidder, Ponte Bros. Contracting Ltd., has previously completed sewer and water projects for the City in the 1990's and has completed numerous construction projects over the years for both the private and public sectors. Reference checks by our consultant indicates they have successfully completed similar type of work within the Lower Mainland and that the contractor has the equipment and personnel capability to successfully complete the work required under this contract. The Director Engineering concurs with this recommendation.

Funding for this work was previously approved by Council. These expenditures are included in the Sewer and Water Utility components of the 2010 Provisional Financial Plan.
