COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2010 June 22

FROM: DIRECTOR FINANCE **FILE:** 77-05/10

SUBJECT: CONTRACT NO. 2010-12
DOUGLAS ROAD – STILL CREEK BRIDGE TO GORING STREET

PURPOSE: To obtain approval to award a contract for Douglas Road – Still Creek Bridge to Goring Street

RECOMMENDATION:

- 1. THAT** a contract be awarded to the lowest bidder, Jack Cewe Ltd., for road works for a tendered total cost of \$3,223,696 including \$345,396 HST, with final payment based on actual quantities and unit prices tendered.

REPORT

Five tenders for this contract, ranging from \$3,223,696 to \$4,924,872.96 were received by the closing time of 3:00 p.m. Tuesday 2010 June 15 and were opened by staff in the presence of representatives of the firms bidding.

The work of this contract involves the construction of approximately 475.0 metres of road works, including mill and paving, full depth pavement construction, road widening and related work.

The recommended bidder, Jack Cewe Ltd., has completed several contracts for the City in the past and all were completed to the satisfaction of the City. Our consultant’s review indicates the contractor has the equipment and personnel capability to successfully complete the work required under this contract. The Director Engineering concurs with this recommendation.

Appearing elsewhere on the Council agenda for reconsideration and final adoption is a Capital Works By-law report seeking partial funding approval for this project, also appearing on the Council agenda is a funding report for the balance of the funding for the utility component of this project. These expenditures are included in the Major Roads and in the Water and Sewer Utility components of the 2010 Annual Financial Plan.
