**FROM:** DIRECTOR FINANCE **FILE:** 126-09/11  
**SUBJECT:** MARINE WAY AND NORTH FRASER WAY NOISE BARRIER FENCE  
**PURPOSE:** To obtain approval to award a contract for the Marine Way and North Fraser Way Noise Barrier Fence.

---

**RECOMMENDATION:**

1. **THAT** a contract be awarded to the lowest bidder Pacific Fence-Crete Ltd. for a total cost of \$263,781.28 including HST in the amount of \$28,262.28. Final payment will be based on actual quantities and unit prices tendered.

**REPORT**

Six proposals for this contract ranging from \$263,781.28 to \$711,442.00 were received by the closing time of 3:00 p.m., Friday, 2011 October 21.

The lowest proponent Pacific Fence-Crete Ltd. has been manufacturing and installing sound barrier fences since 1990 and recently completed work for the City of Surrey and the Corporation of Delta. The contractor is proposing to use Wood Hybrid materials that meets the City's requirements for a noise barrier fence. The lowest proponent's price is competitive and reflective of the current market conditions; it is therefore recommended that the above noted contract be awarded to the lowest proponent, Pacific Fence-Crete Ltd.

Bylaw funding for this project (ERA.0003) was previously approved by Council. These expenditures are included in the Major Road component of the 2011 Annual Financial Plan.
