REPORT

Festivals and Special Events: Small Scale

Grant File 11-S-010: Burnaby Family Life

Application received:	2011 March 15
Project Budget:	\$12,015
Project Request:	\$6,000

An application request for \$6,000 has been received to support Burnaby Family Life and their participation in a series of community events through 2011. Participation is important in building a strong, healthy and vital community and Burnaby Family Life strives to bring education and information forward to the public about available services in the local community.

The application has been completed in full, and while the request is outside the criteria established for the Festivals Burnaby grant program, the intent is for the organization to have a presence at many of the community gatherings. The organization is looking for support for project supplies, artist and entertainment costs and marketing and signage to support their activities and participation in these events.

The organization currently receives from the City \$16,000 as annual operating assistance each year.
