COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2012 August 22

FROM: ACTING DIRECTOR ENGINEERING **FILE:** 35000-50
*Ref: 2013 Watermain
Replacement Package C*

**SUBJECT: 2013 WATERMAIN REPLACEMENT PROGRAM PACKAGE C
ENGINEERING SERVICES**

PURPOSE: To seek Council's approval to enter into an agreement with AECOM Canada Ltd. for engineering services related to the 2013 Watermain Replacement Program Package C.

RECOMMENDATION:

1. **THAT** Council authorize expenditures in the amount of \$272,500 (inclusive of 12% HST) for engineering services, as outlined in this report.
2. **THAT** Staff be authorized to retain AECOM Canada Ltd. for engineering services related to 2013 Watermain Replacement Program Package C, at an estimated cost of \$272,500 (inclusive of 12% HST), as outlined in this report.

REPORT

The 2012 Capital Program includes provision of watermain replacement throughout the City. As part of the engineering design process, staff requested proposals from three qualified engineering consultants including CitiWest Consulting Limited, AECOM Canada Ltd., and Vector Engineering Services Ltd. for engineering services. The required services include detailed engineering design and construction administration of watermain replacement, related sanitary sewer replacement and road rehabilitation.

The proposals were reviewed with regards to compliance with the request for proposal document, team and corporate experience, technical knowledge and organization, work record, and ability to meet our schedule. It is our recommendation, therefore, that this engineering assignment be awarded to AECOM Canada Ltd., at a total estimated cost of \$272,500 including all fees, disbursements, HST and contingency. The Purchasing Manager concurs with this recommendation.

Engineering designs will be undertaken upon award with construction tentatively scheduled to commence early in 2013.
