**FROM:** DIRECTOR PLANNING AND BUILDING **FILE:** PC 86000 20  
*Reference:* STR #12-1

**SUBJECT:** STRATA TITLE APPLICATION #12-1  
6626 Brantford Avenue

**PURPOSE:** To obtain Council authority for strata titling of an existing occupied two-family dwelling.

---

**RECOMMENDATION:**

1. **THAT** Strata Titling of 6626 Brantford Avenue be approved subject to complete satisfaction of the Guidelines for Conversion of Existing and Occupied Two-Family Dwellings into Strata Title Units.

**REPORT**

The Planning and Building Department is in receipt of an application for strata title approval of an existing occupied two-family dwelling constructed in 2011 at the above location. Council approval is required when strata titling of existing occupied two-family dwellings is requested. The conversion is being pursued in accordance with Section 242 of the Strata Property Act.

The subject property is zoned R5 Residential District, which permits single and two-family dwellings, and is not in an area proposed for alternative use (see *attached* sketch). At the present time, the owner of the two-family dwelling occupies one of the units and the second unit is occupied by his son.

This application has been circulated to the Engineering, and Planning and Building Departments to ensure all Zoning Bylaw and Building Code issues have been addressed. All departmental approvals have been substantially met through the submission of an independent health consultant's certificate guaranteeing that the property is free of any infestation and confirmation of the building's structural and mechanical integrity by the Chief Building Inspector.

With Council approval for the strata titling of the subject property, the owners would be requested to submit the required strata plans and legal fees. Once received, the necessary covenant will be prepared by the City Solicitor to ensure that each unit is used as a single-family
