REPORT

The Community Policing Committee, at its meeting held on 2013 July 04, received and adopted the 2012 Burnaby RCMP Detachment Annual Report (*provided under separate cover*) highlighting the successes and achievements accomplished by the Burnaby RCMP Detachment in 2012. A significant reduction in the majority of crime types has been realized as a result of the Crime Reduction Strategy and other key approaches utilized through the Community Programs team.

The Committee acknowledged that these successes were made possible through the support and encouragement provided by Mayor and Council, the Community Policing Committee, the Community Policing Advisory Committees, volunteers, and citizens in the community who provided support throughout the year.
