COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2013 August 19

FROM: DIRECTOR PLANNING AND BUILDING **FILE:** PC 86000 20
Reference: STR #11-6

SUBJECT: STRATA TITLE APPLICATION #11-6
7565 Tenth Avenue

PURPOSE: To obtain Council authority for strata titling of an existing occupied two-family dwelling.

RECOMMENDATION:

1. **THAT** Strata Titling of 7565 Tenth Avenue be approved subject to complete satisfaction of the Guidelines for Conversion of Existing and Occupied Two-Family Dwellings into Strata Title Units.

REPORT

The Planning and Building Department is in receipt of an application for strata title approval of an existing tenanted two-family dwelling constructed in 1967 at the above location. Council approval is required when strata titling of existing occupied two-family dwellings is requested. The conversion is being pursued in accordance with Section 242 of the Strata Property Act.

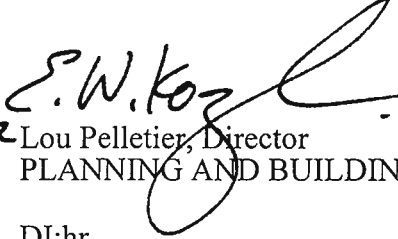

The subject property is zoned R5 Residential District, which permits single and two-family dwellings, and is not in an area proposed for alternative use (see *attached* sketch). At the present time, the tenanted two-family dwelling is owned by Thomas Ta and June Ta.

This application has been circulated to the Engineering, and Planning and Building Departments to ensure all Zoning Bylaw and Building Code issues have been addressed. All departmental approvals have been substantially met through the submission of an independent health consultant's certificate guaranteeing that the property is free of any infestation and confirmation of the building's structural and mechanical integrity by the Chief Building Inspector.

With Council approval for the strata titling of the subject property, the owners would be requested to submit the required strata plans and legal fees. Once received, the necessary covenant will be prepared by the City Solicitor to ensure that each unit is used as a single-family
