REPORT

Every year special events are planned for two key outdoor venues in Burnaby. The concerts for the Deer Lake Festival lawn and the special events at Swangard Stadium where amplified sound is involved are regulated by number and frequency. Regular scheduled events such as minor gatherings and sporting matches occur routinely as well.

The purpose of this report is to secure preliminary approval for up to ten outdoor events at Deer Lake Park festival lawn between 2014 May 01 and 2014 September 30, and up to 13 special events at Swangard Stadium between 2014 April 01 and 2014 November 01. This will include the City's annual Symphony in the Park, the Burnaby Blues and Roots Festival and up to eight ticketed concerts hosted by outside promoters and/or community groups at the festival lawn. At Swangard Stadium, this will include the annual two-day "24 Hour Relay" and European Festival events, and up to nine other special events.

This is congruent with past practise and with the provisions of the relevant municipal bylaws (Burnaby Noise and Sound Abatement Bylaw #1979 Amendment No. 12066; Section 2.). Staff will continue to manage the sites professionally to ensure all events are well-run and of high quality.
