Meeting 2015 Aug 24

COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2015 August 18

FROM: DIRECTOR FINANCE **FILE:** 5820-20
Reference: 2015-38

SUBJECT: **CONTRACT AWARD 2015-38**
STONEY CREEK TRIBUTARY 3A CULVERT AND BANK
REHABILITATION

PURPOSE: To obtain Council approval to award a construction contract for culvert and bank rehabilitation for the Stoney Creek Tributary.

RECOMMENDATION:

1. **THAT** Council approve a contract award to A.C. Paving Company Ltd. for a total cost of \$502,887 including GST in the amount of \$23,947 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Five tenders for this contract ranging from \$54,502.63 to \$772,800 were received by the closing time on 2015 August 13. The lowest tenderer, Corix Water Products LP, was non-compliant in its submission documents. The work of this contract involves the relining of 1700 x 1500 existing CMP culvert running under Gaglardi Way with a Polyethylene pipe including the installation of a new precast concrete overflow structure, a new precast concrete inlet and outlet headwalls, and associated bank stability works on the inlet and outlet of the culvert.

The recommended second lowest bidder, A.C. Paving Company Ltd. has not previously undertaken a contract with the City; however, reference checks by the City's consultant indicate the contractor has the equipment and personnel capability to successfully complete the work required under this contract. The Director Engineering concurs with this recommendation.

Funding for this requirement is included in the 2015–2019 Financial Plan under WBS element: ELD.0012 (\$478,940).
