FROM: DIRECTOR PLANNING AND BUILDING

SUBJECT: **REZONING REFERENCE #14-45**
To bring the zoning of the subject City-owned properties into conformance with the approved park/conservation designation and their current use.

ADDRESS: See *attached* Schedule A

LEGAL: See *attached* Schedule A

FROM: A2 Small Holdings District, R1, R2 and R4 Residential Districts and P2 Administration and Assembly District

TO: P3 Park and Public Use District

APPLICANT: City of Burnaby
 4949 Canada Way, Burnaby, BC V5G 1M2

PURPOSE: To seek Council authorization to forward this application to a Public Hearing on 2015 March 31.

RECOMMENDATION:

1. **THAT** a Rezoning Bylaw be prepared and advanced to First Reading on 2015 March 09 and to a Public Hearing on 2015 March 31 at 7:00 p.m.

REPORT**1.0 REZONING PURPOSE**

The purpose of the proposed rezoning bylaw amendment is to bring the zoning of the subject City-owned properties into conformance with approved park/conservation designation and their current use.

2.0 BACKGROUND INFORMATION

- 2.1 From time to time, properties acquired by the City for park, conservation and public use purposes are rezoned to the P3 Park and Public Use District to bring them into conformance with approved designation as park and conservation area, and their current use. Rezoning is

carried out as an administrative land designation procedure to ensure that the zoning districts conform to the approved use, and is not intended to advance any further park development of the subject lands, at this time.

At their meeting of 2014 November 14, Council authorized staff to pursue a City initiated zoning of the Deer Lake Park – Civic Land Assembly area to the Park and Public Use District (P3). This rezoning is being advanced to include all other lands within Deer Lake Park for rezoning at this time, in line with the Official Community Plan.

As development of Deer Lake Park is pursued by the City in accordance with an overall capital budgeting program, servicing requirements would be determined in conjunction with specific park development proposals, as they are advanced.

2.2 It is proposed that this rezoning be advance to Public Hearing on 2015 March 31. This would provide staff with the opportunity to provide notification to all property owners and residents, adjacent to and on the subject properties, and to further communicate the purpose of this housekeeping process.

2.3 This housekeeping rezoning process would not change or alter any existing uses, tenancies, or activities for these designated Deer Lake Park lands.

3.0 GENERAL COMMENTS

3.1 The designated park and public use properties, proposed for rezoning, all of which are City-owned, comprise the five distinct groups, noted below:

AREA	NUMBER OF PROPERTIES	EXISTING ZONING
Area 1	57	R4
Area 2	19	A2, R2
Area 3	13	R1, P2
Area 4	2	R1
Area 5	1	R4

3.1.1 Area 1

The properties located west of Royal Oak Avenue are vacant and heavily vegetated (Sketch #2 attached). Staff would propose to initiate the closure of the existing undeveloped road rights-of-way within this area and pursue consolidation of the park site and dedication of the right-of-way in this area and areas 2, 3, 4 and 5 for the existing Deer Lake Parkway, as part of future work processed as feasible.

3.1.2 Area 2

The properties located immediately east of Royal Oak Avenue are partially developed as part of Deer Lake Parkway (Sketch #3 attached).

3.1.3 Area 3

The properties located adjacent to Rowan Avenue and Price Street, comprising the Deer Lake Park Civic Assembly Area, are occupied with a number of City-owned single-family dwellings which are held as interim rental property following Council's adopted policy (Sketch #4 attached).

Three private properties, not included in this rezoning, located at 6086 Price Street, 6176 Price Street and 4916 Rowan Avenue have been included in the Parkland Acquisition Program. Staff will pursue the acquisition and rezoning of these properties and ownership interests should they become available for City ownership in the future.

3.1.4 Area 4

The properties located adjacent to Sperling Avenue are occupied with a number of City-owned single-family dwellings which are held as interim rental property following Council's adopted policy (Sketch #5 attached).

Four private properties, not included in this rezoning, located at 6556 Deer Lake Avenue, 6588 Deer Lake Avenue, 5135 Sperling Avenue, 5177 Sperling Avenue and two private fractional interests in 6551 Deer Lake have been included in the Parkland Acquisition Program. Staff will pursue the acquisition and rezoning of these properties and ownership interests should they become available for City ownership in the future.

3.1.5 Area 5

6088 Dufferin Avenue is occupied by a City-owned single-family dwelling which is held as interim rental property following Council's adopted policy (Sketch #6 attached).

- 3.2 No development of the subject park is being proposed at this time.
- 3.3 If Council gives Final Adoption to this rezoning, it will bring the properties into conformance with both their current and long-term intended park and public use.
