SUBJECT: DEMOLITION OF 7282 KINGSWAY

PURPOSE: To seek Council approval of capital funding to pursue demolition of 7282 Kingsway.

RECOMMENDATION:

1. THAT Council authorize an expenditure of \$500,000 from the Capital Program – Land Assembly and Development for demolition and advanced site preparation at 7282 Kingsway.

REPORT

The site at 7282 Kingsway is owned by the City of Burnaby. It is improved with a one storey plus basement building that was constructed in 1962 and previously housed the Edmonds 55+ Community Centre. The building is presently vacant, is surplus to the City's needs, and near the end of its service life.

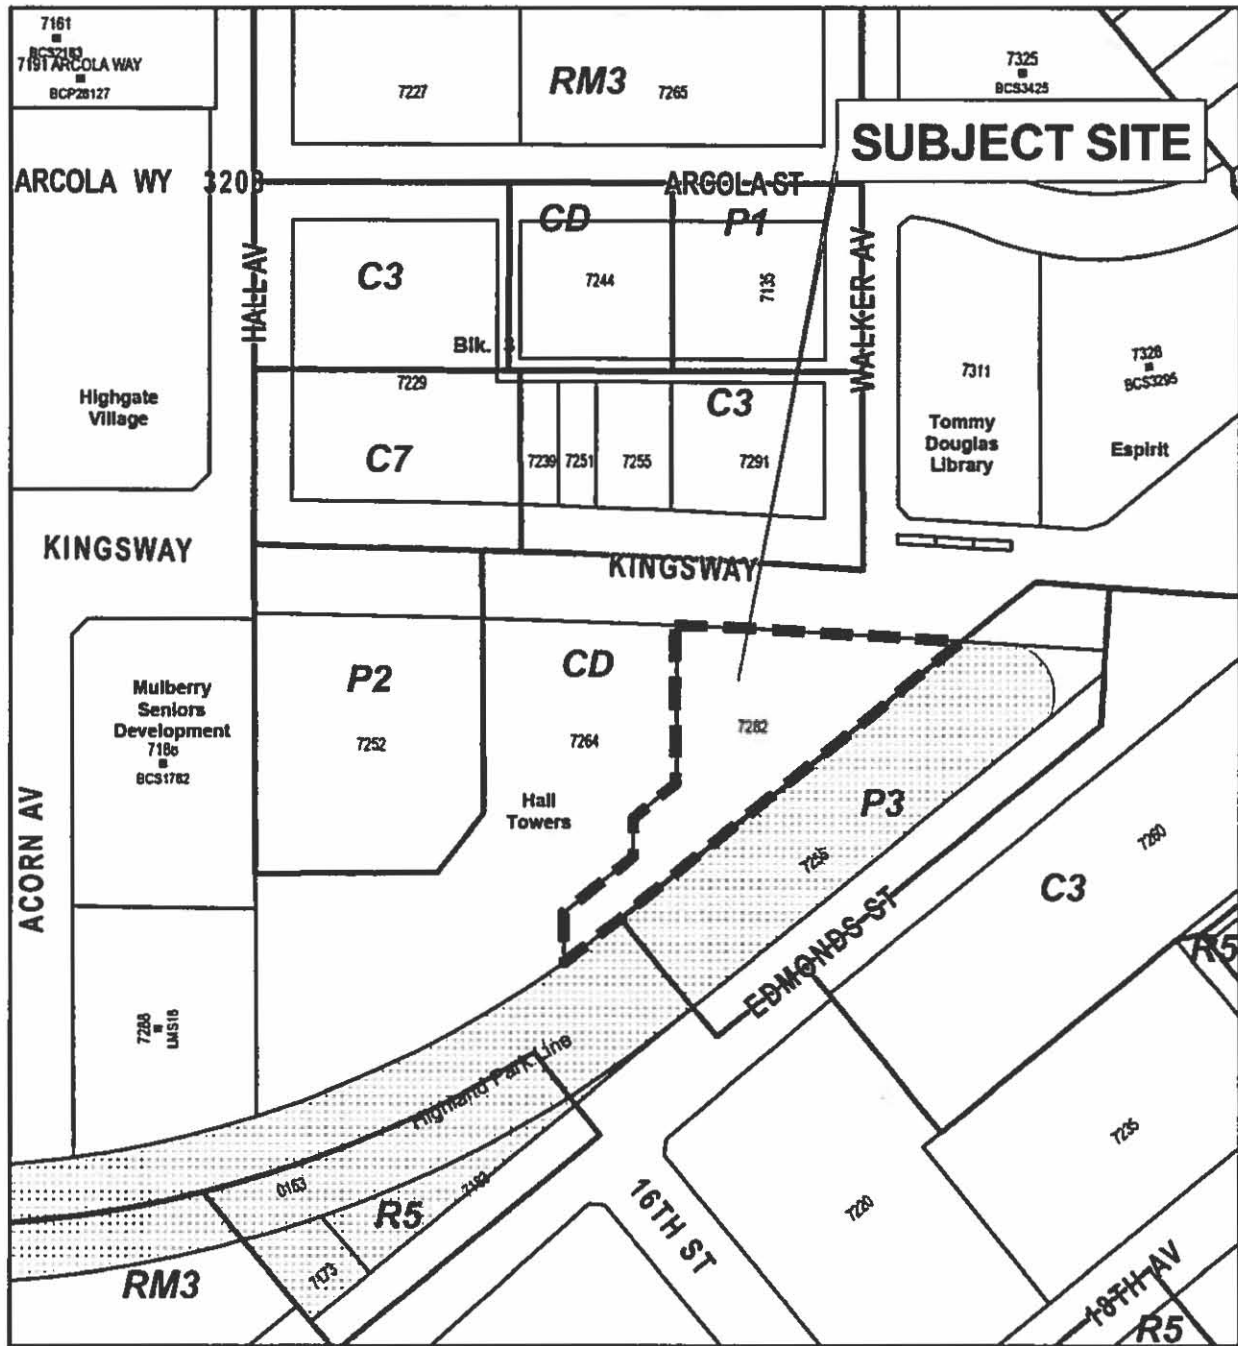

As part of advanced site preparation for future comprehensive development in line with the Edmonds Town Centre Plan, demolition of all improvements is recommended. Demolition and advanced site preparation activities are estimated to cost \$500,000. It is recommended that Council authorize this expenditure from the Capital Program – Land Assembly and Development. These funds would be reimbursed upon future sale of the properties for comprehensive redevelopment in line with the Edmonds Town Centre Plan.
