His Worship, Mayor Derek R. Corrigan presented the Burnaby Local Hero Awards to the 2018 recipients. Councillor Johnston introduced each recipient as they received their award. The text of Councillor Johnston's statement read as follows:

"Local Heroes are people who have made outstanding contributions to our community's well-being. Tonight, three individuals will be recognized for their significant accomplishments and the positive impacts they have made on the City and citizens of Burnaby.

Twenty-eighteen (2018) marks the twenty-second year the City has recognized its Local Heroes. The total number of Local Heroes in Burnaby, including the people being recognized this evening, now stands at 264. Local Heroes represent an impressive cross-section of Burnaby citizens.

At this time, I would like to thank our schools, libraries, recreation centres and community agencies for helping to spread the word about the program. I would also like to extend a special thank you to the people who took the time and initiative to put together nomination submissions this year. Without the efforts of the nominators, the Local Heroes Award program would not be the success that it is today.

I would now like to call upon Mayor Corrigan to join me in making the presentations to this year's Local Heroes. As your name is called, I invite each Local Hero or representative to come forward to receive your Certificate of Recognition and to have your photograph taken.

Ms. Susan Anthony

Susan has been a committed advocate for accessibility and inclusion, particularly for persons with disabilities. She has been a Board member of the Burnaby Association for Community Inclusion (BACI) since 2006, serving as Vice President of the Board from 2009-2012. She served as a volunteer Co-Chair of the Simon Fraser Community Living Council and on BACI's Quality Assurance and Advocacy Committees. For the past two years, Susan has also volunteered as a member of the Burnaby Access Advisory Committee. As

Susan's nominators note: "Susan Anthony has distinguished herself as a steadfast and powerful advocate for people with disabilities. She continues to add her voice to the anthem of equality she spent a lifetime composing. We at the Burnaby Association for Community Inclusion are blessed to have Susan as our neighbour, supporter and dedicated advocate."

Susan is unable to join us this evening, but I would like to welcome her son, Jake Anthony, to come and accept the award on her behalf.

Ms. Rosemary Cooke

Rosemary has been an active volunteer in Burnaby for many years in the community. For almost five years she has volunteered at Burnaby Association for the South East Side (BASES) helping to sort and price donated items at the BASES Thrift Store. For the past nine years, Rosemary has been involved with the Edmonds Seniors' Centre volunteering as a Board member for five years and assisting with Healthwatch, a weekly wellness program for seniors, for eight years. As Rosemary's nominators describe: "Rosemary has continually volunteered in Burnaby for over 20 years in so many different capacities. Her commitment to volunteer has found her doing everything from stripping and varnishing for the Burnaby Village Museum to writing and researching for the "History of Burnaby Schools" book. She commits her time and energy to promote the betterment of life in Burnaby, leading by example for the rest of the citizens of our fair city."

Ms. Leong offered a number of recommendations for the City and its residents to address wildlife concerns, including: better managing attractants, review/amend and enforcing existing bylaws, and creating a Wildlife Education Coordinator position.
