REPORT

The City imposes Local Area Service and Sewer Parcel Tax by the provisions of the Community Charter.

A Parcel Tax Roll Review Panel is scheduled each year to provide an opportunity for property owners to appeal Local Area Service, and Sewer Parcel Taxes, that are being charged in that year for the first time. The assessments confirmed by this Panel will form the basis for the Local Area Services and Sewer Parcel Assessment Tax Rolls. In Burnaby, members of City Council have constituted the Parcel Tax Roll Review Panel to hear such appeals.

Local Area Service charges are applied for the first time in May of each year and billed with Property Taxes. Sewer Parcel Tax charges are collected with utilities and are billed annually in late January. An adjustment will be made to the Tax Levy in May should the panel find that 2018 Sewer Parcel Tax assessments are disallowed.

The Director Finance performs the assessment function for Local Area Services and Sewer Parcel Tax, with representatives from the Engineering Department providing technical support at each Parcel Tax Roll Review Panel. For 2018 both Finance and Engineering staff will be in attendance at the review panel.
