Scope and Content: Item consists of a short film featuring a compilation of film footage created by Andy Digney that was edited and narrated by the Burnaby Village Museum. Burnaby resident Andy Digney captured footage of Burnaby and beyond from 1934 to 1964. Highlights within this film compilation include the construction and events held at the Oak Theatre; Royal visit motorcade of King George VI and Queen Elizabeth; Sports Day at Central Park; Gymcana event at Burnaby Lake Riding Stables; lawn bowling at Central Park; a Depression-era May Day workers' parade in 1936; May Day celebrations in Burnaby; visits to locations throughout the Lower Mainland, including Stanley Park, Capilano Suspension Bridge, Grouse Mountain and boat trip up Burrard Inlet; the Digney Speedway; the Digney family at their home on Bonsor Avenue and the Digney Bowling Alley.

Notes: Title based on contents
City of Burnaby Archives holds the original Digney film masters (562.003) that this narrated segment was disseminated from. See Digney family fonds
